

SMITHERS
QUALITY ASSESSMENTS

CERTIFICATE OF APPROVAL

This is to Certify that the Quality Management System of:

Assurance Technology Corporation

84 South Street

Carlisle, MA 01741, United States

(Page 1 of 2)

has been assessed to and approved in accordance with the requirements of AS9104/1:2012-01 by Smithers Quality Assessments, an accredited Aerospace Registration Management Program Certification Body, under the ICOP scheme, to the following Quality management system standards and requirements:

AS9100:2016 with Design

The Campus Quality Management System is Applicable to:

Electronic systems design, development, production, test, deployment and evaluation including high reliability parts testing and screening, real time component radiographic examination, physical analysis, scanning electron microscopy, product acceptance/qualification testing programs, system-level shock and vibration testing, part-level shock and vibration testing, and software development for the aerospace industry.

Approval Certificate Number: 24.310.1

Original Approval: November 5, 2024*

*Originally certified on January 30, 2008 by another Certification Body.

Current Certificate: November 5, 2024

Certificate Expires: September 19, 2025

The use of the accreditation mark indicates accreditation in respect of those activities covered by the above certificate number.

on behalf of SQA - J. Michael Hochschwender, CEO

The approval is subject to the company maintaining its system to the required standards which will be monitored by Smithers Quality Assessments, Inc., 121 S. Main St. Suite 300, Akron, Ohio, 44308, USA

APPENDIX A
TO THE REGISTRATION OF
REGISTRATION NO.: 24.310.1
